

## Mary Elizabeth Photography Pricing

### *100% Satisfaction Guarantee*

#### **Portrait Photo Package- \$100 per hour**

This includes senior photos, couples portraits, engagement pictures, equine photos, pet pictures, etc. Portrait photo session locations can be chosen by the client, or I can make some suggestions if you are unsure. This includes 25-50 edited photos per hour.

#### **Family/Group Photo Session- \$150 per hour**

This is for groups of 3 or more people. This could be family or friend sessions, which includes group photos, smaller group photos, individual shots, etc. This includes 30-50 edited photos per hour. I will come to your location, or you can choose a public location.

#### **Equine Event Photographer- \$450**

This package comes with a 10 hour day of me being the official photographer on the event grounds. Up to 1,500 edited photos, depending on the discipline. Photos can be sent online as I edit them in waves, and in the end I will send you a disc filled with all of the photos if desired. I can shoot in an indoor or outdoor arena, and will be happy to take any specific photos you want, such as winners circle photos, candid shots, ect. Events must be within two hours of the Twin Cities, MN. Contact me if you are further than this for a more accurate rate.

#### **Equine Marketing Photos- \$75**

This includes stud service photos, sale photos, and marketing photographs. A flat rate of \$75 will get you 15 professional photos to market your horse. Must be within 1 hour of the Twin Cities, or additional rates apply.

#### **Entire Unedited Photoshoot Collection- \$30**

Exact pricing depends on the length of your photoshoot. The initial cost of your entire unedited collection for a one hour photoshoot is \$30, plus an additional \$5 per every extra hour. This is normally 100+ photos. You will have your original amount edited and the rest included, however they will not be edited.

#### **Additional Information:**

Photoshoot locations must be within 1 hour of the Twin Cities, if you are further there will be an additional rate for travel time. Contact me with your city for a quote. Distances an hour away and below (one way) are included in the photoshoot price.

You will receive the photos over Facebook (if you have one) as soon as they are done being edited, and then I will mail you a flash drive of the full resolution photos with no watermark. You will have full rights to the photos to print them and use them how you please. I will include a signed photo release with the shipment of your flash drive.

I ask for one to two weeks after the day of the photoshoot to complete the editing and disk copying of the images. However, this is a maximum, so it is likely your photos will be completed before then. I will contact you with shipping information once your images are sent.

More details will be discussed depending on specific situations. Thank you for your interest!
